

Name: Rohan Kapoor

Email: rohan.kapoor.dev@gmail.com

Phone: +91 9876543210

Location: Delhi, India

Summary

Software developer with knowledge of machine learning and backend development.

Education

B.Tech in IT

CGPA: 7.6

Graduation: 2026

Technical Skills

Python, Java

Pandas, NumPy

Basic ML

SQL

Git

Linux (basic)

Projects

Student Performance Prediction

- Built ML model using scikit-learn
 - Used Pandas for preprocessing
-

Streamlit Dashboard

- Built interactive dashboard
- Visualized datasets

Internship

Software Intern

Worked on data preprocessing and reporting.
